SALEHURST & ROBERTSBRIDGE PARISH COUNCIL

TRANSPORT WORKING GROUP
REPORT OF SIGNAGE PROJECT

- We have undertaken a review of the road signage on the **main thoroughfares** within **Robertsbridge** to determine if they are fit for purpose.

- We have identified the following:-

a) Signage which requires cleaning (Appendix A)
b) Signage which is in need of replacement and/or refurbishment (Appendix B);
c) Signage which we feel is (now) redundant and could be removed (Appendix C); and
d) A list of signage, which we feel, should be added (Appendix D).

- **We are requesting Council to**:-

A: Authorise a small amount of expenditure for the necessary cleaning material s and apparatus to be purchased /hired.

B1: Authorise Parish Clerks to write to the relevant agencies requesting that the signage be replaced and /or refurbished.
B2: Authorise Parish Clerks to investigate the cost of refurbishing the Finger Posts mentioned in Appendix B.

C: Authorise Parish Clerks to write to/ communicate with the relevant agencies requesting that the signage mentioned in Appendix C be removed.

D1: Authorise Parish Clerks to write to the relevant agencies requesting that new signage mentioned in Appendix D be approved and actioned.
D2: Authorise Parish Clerks to investigate the cost of new Finger Posts mentioned in Appendix D.
